Duration 103 min.  
Sung in Italian  
Subtitles ITA-ENG-TED-FRA-SPA

The play tells the story of the fair sea-nymph Galatea. She is in love with Aci but the clumsy giant Polyphemus forces his attention on her and after catching them in bed, he is killing him with a boulder. Hence Galatea asks her father Nereo to transform Aci's blood in a river so that she can ceaselessly rejoin him in the sea.
